## Eyelash Perm

Mei-Cha® International is the industry specialist in Eyelash Perming. Years of research and practical application contribute to the best quality product on the market. Eyelash Perming is an innovative way to keep lashes curled, opening and enlarging the eyes without the use of the eyelash curlers. It creates a more youthful appearance particularly for those whose eyelids are beginning to droop. The safe, simple lash perm process incorporates gentle perming solutions and slim flexible rollers to create a beautiful curl. The results last for 2 - 3 months. Lash Perming is also an easy-to-learn service for a technician to add their offerings and an exciting new experience for your client.
